CARTHAGE CENTRAL SCHOOL

CARTHAGE, NEW YORK

THE DOOR

There it is

the door.

Where does it go?

I know not

for it is far

in the future.

IT IS THE WAY TO LIFE.

Maybe it's open.

Ah! A beginning.

Perhaps it's closed,

but there is hope.

Or it can be locked.

This is an end,

but these are few.

To Our Senior Homeroom Teachers:

For weeks the literary staff of the 1959 **Carthadian** has labored diligently over a suitable dedication. We all agreed that this dedication should be our highest achievement and should reflect the respect and gratitude we feel toward you; yet, somehow we were unable to write this masterpiece. We discovered to our dismay that it takes a literary genius to write a literary gem. Time-honored phrases such as "undying gratitude" and "highest esteem" appear distressingly saccharine and juvenile in print, yet these are the sentiments we are trying to express. When that fateful day in June dawns and we all file noisily out for the last time, our flippant "See you 'round" and "Lots of luck" are merely to hide our sadness at leaving such wonderful friends. Your dedication is in our hearts.

Sincerely,
The Senior Class

During the course of the year the student activity room saw no blood, but sweat and tears we had a-plenty. There was a tremendous amount of work to be done before the *Carthadian* copy sheets could be sent to the publisher.

From all ends of the building people with pictures, layouts, and copy rushed around trying to coordinate their activities, while Miss Hughes' typists pounded madly and Miss McIlreath's photographers lighted the school with popping flashbulbs, trying to beat the innumerable deadlines.

Eventually the last package of copy-sheets was mailed to the Taylor Publishing

Company, and we could sit back, relax, and worry over the finished product.

The members of the Robert G. Wallace Chapter of the National Honor Society and its subsidiary, the Junior National Honor Society, are students who have proved outstanding in scholarship, leadership, and character. Each year the Senior Honor Society sponsors a bake sale and a variety show, but its prime purpose is to promote scholarship. Annually its members receive various honors and awards; in fact this year a member, Molly Doherty, has qualified for a national award, the National Merit Scholarship, and three students, Pat Penney, Sue Landauer, and Alice Lombard, received letters of commendation. The Junior Honor Society, newly organized, has already begun building up its treasury by holding a fudge sale.

The Student Councils of CCS consist of representatives elected by the students to help formulate school policy. The charters for the various clubs must be approved by the Councils, and the Christmas party, including a faculty-student basketball game, was under their auspices. Before the holidays, the Student Councils promoted Christmas spirit by placing gaily decorated trees in the halls. President of the Senior Student Council is Kurt Konz, vice-president Sally Brown, secretary Dorothy Warren, treasurer Mark Terrill. Junior Student Council officers are Ginny Maroun, president, Tim Trowbridge, vice-president, Deanna Dalton, secretary, and Connie Shannon, treasurer.

Led by David Richardson and his aides-de-camp, Leslie Allen and Mark Terrillon, these boys are stationed at various posts throughout the school to direct the flow of traffic and prevent congestion in the halls. Boys wearing red arm bands have become a familiar and welcome sight at strategic points throughout the building.

Our future events include senior representation at the area Student Library Conference at Adams Center in the spring. We plan, with the help of the English Department, to have a fine-free day and to have book reviews in the English classes to celebrate National Library Week.

This year for the first time the Zone Music Festival was held in Carthage. On November 25 Mr. Charles Burmaster of Watertown, guest conductor, directed a chorus of over one hundred voices and Mr. Burton Stanley of Cortland conducted the band. Those who participated in the event were chosen from the choruses and bands of fifteen schools in the area. Practices were held every other Monday night in Watertown. Also for the first time a junior high chorus was formed and opened the concert with five numbers directed by various music teachers.

The Dance Band was organized by Mr. Fullerton to give interested students a chance to play popular tunes, since the regular band plays only classical and semi-classical music.

These aspiring musicians were off to a good start at the beginning of the year when they played at a banquet for the State School Board, but other activities such as the Yearbook and Senior Play quickly depleted the band's ranks until it was discontinued. There are hopes, however, of forming a new group next year.

Members learn through active participation how to conduct and take part in public meetings, finance themselves, solve their own problems, speak before the public, buy and sell co-operatively and assume civic responsibility.

Local chapter activities include participation in County F.F.A. speaking contests, chapter meeting contests, and judging contests, as well as local activities of tree planting, crop demonstrations, and soil sampling.

Members also judge and show livestock and crops at the Jefferson County and N.Y.S. fairs as well as participating at the State F.F.A. Convention and the State F.F.A. camp at Long Pond.

The second team of Bob Kaiser, Linda Lehman, Alice Lombard, and Marc'a Maroun was defeated by a narrow margin in its first match with Copenhagen.

The Junior High Dramatics Club consisted of students in grades seven through nine who were interested in learning about acting and the various backstage duties. While this club was only in existence for the first semester, its members presented a one-act play entitled 'Billy's First Date.'

Every Saturday morning during the ski season members of the CCS Ski Club travel to Snow Ridge for ski instructions and a morning of sports and fun. From beginner to advanced, everyone has a good time whether it is lounging in the wax house, toasting toes on the wood stove, or a speeded up run down a fast trail. As the enthusiasm for skiing grows so grows the ski club. This year's club is the largest yet and we hope that it will continue to expand.

The Rifle Club, under the supervision of Mr. Daniel Murey, practiced each Wednesday at the rifle range of the new Carthage Armory. During the meetings conducted by President Pete Kester, members earned marksmanship and correct shooting positions as well as rifle safety.

The Girls' Athletic Association helps to promote interest in girls' intramural sports. The Club carries out many worthwhile projects such as collecting food and clothing for needy families in the community.

Mr. Vetter and Mrs. Shafer serve as advisors of these clubs respectively.

Both clubs have sponsored record hops and check rooms at basketball games to raise money toward the purchase of members' jackets.

The Cross Country team participated in meets at Norwood-Norfolk, Gouverneur, Balwinsville, Massena, and the sectionals at Coe gate. Leo Rennie placed fifty-second in the state thus winning a state shield.

The junior varsity football team, even though it had a losing season, was very successful in many ways. First of all, out of the forty boys who started the season, thirty-one finished; and of thirty-one, nineteen received letters. Their record was three wins and four losses. This was commendable since ten players were injured during the season. Two of their losses came at the hands of Oswego and Watertown, but the Oswego score was 13-7 and the Watertown 14-3. These two were probably the best games played all season, even though they were lost.

VARSITY FOOTBALL

*"Watch out next year" We'll show you
how to play football. Right? Thank you D. S. Morris*

The 1958-1959 season was characterized by alternating high and low spots. The first low was a loss to a weak Frankfort team in which Carthage went to the one yard line the first time our players got the ball and from there on they fumbled the possession away. The Comeback arrived in the second game against Camden to produce a 30-0 triumph.

After a loss to Owego came two wins, the most satisfying of which was a 19-14 victory over Lowville in which Carthage had to hold for four downs in the one yard line to assume victory. Carthage was definitely not in the next game against Fulton, having a 27-0 edge early in the second quarter and only allowing Fulton to score against the reserve. This game proved costly when a few days later it was found that Kurt Koniz, our hard driving fullback had broken his leg and would be out for the remainder of the season.

Kurt Koniz and Irv Davis.

A good Canastota team took our measure in the mud and set the stage for the final against Watertown. In this game Carthage was definitely the underdog but gave the Cyclones many anxious moments before succumbing to superior numbers and speed in the last quarter. The action shot below was taken at this game.

JV BASKETBALL

The junior varsity squad started the season well, winning five out of the first seven games. At the eighth game against Oswego Wagoner, tallest man on the squad, was moved up to varsity and the JV's lost. Coach Navarro's boys struggled valiantly the remainder of the season but lacked height. Their final record was eight wins and nine losses.

The freshman team had a superlative season winning ten out of eleven games. The athletic department has high hopes of these boys developing into an exceptional junior varsity and subsequent varsity. Albie Noyes, aggressive and fast, was the outstanding player of the season, although all the boys showed great promise and ability.

FRESHMAN BASKETBALL

First row: Joe Ventiquattro, George Blondin, Kent Cauley, Gentry Russell, Walt Moses, Jerry Zimmerman. Second row: Carleton Carpenter, Albie Noyes, Joe Bossout, Wayne McIlroy, Jerry Child, Robert Sprague, Mike Flanigan.

The loss of seven veterans through graduation slowed down the start of the Carthage Comets. After dropping four games before Christmas vacation, consistent improvement helped them win nine out of the last ten games and tie Indian River for the Northern Division title.

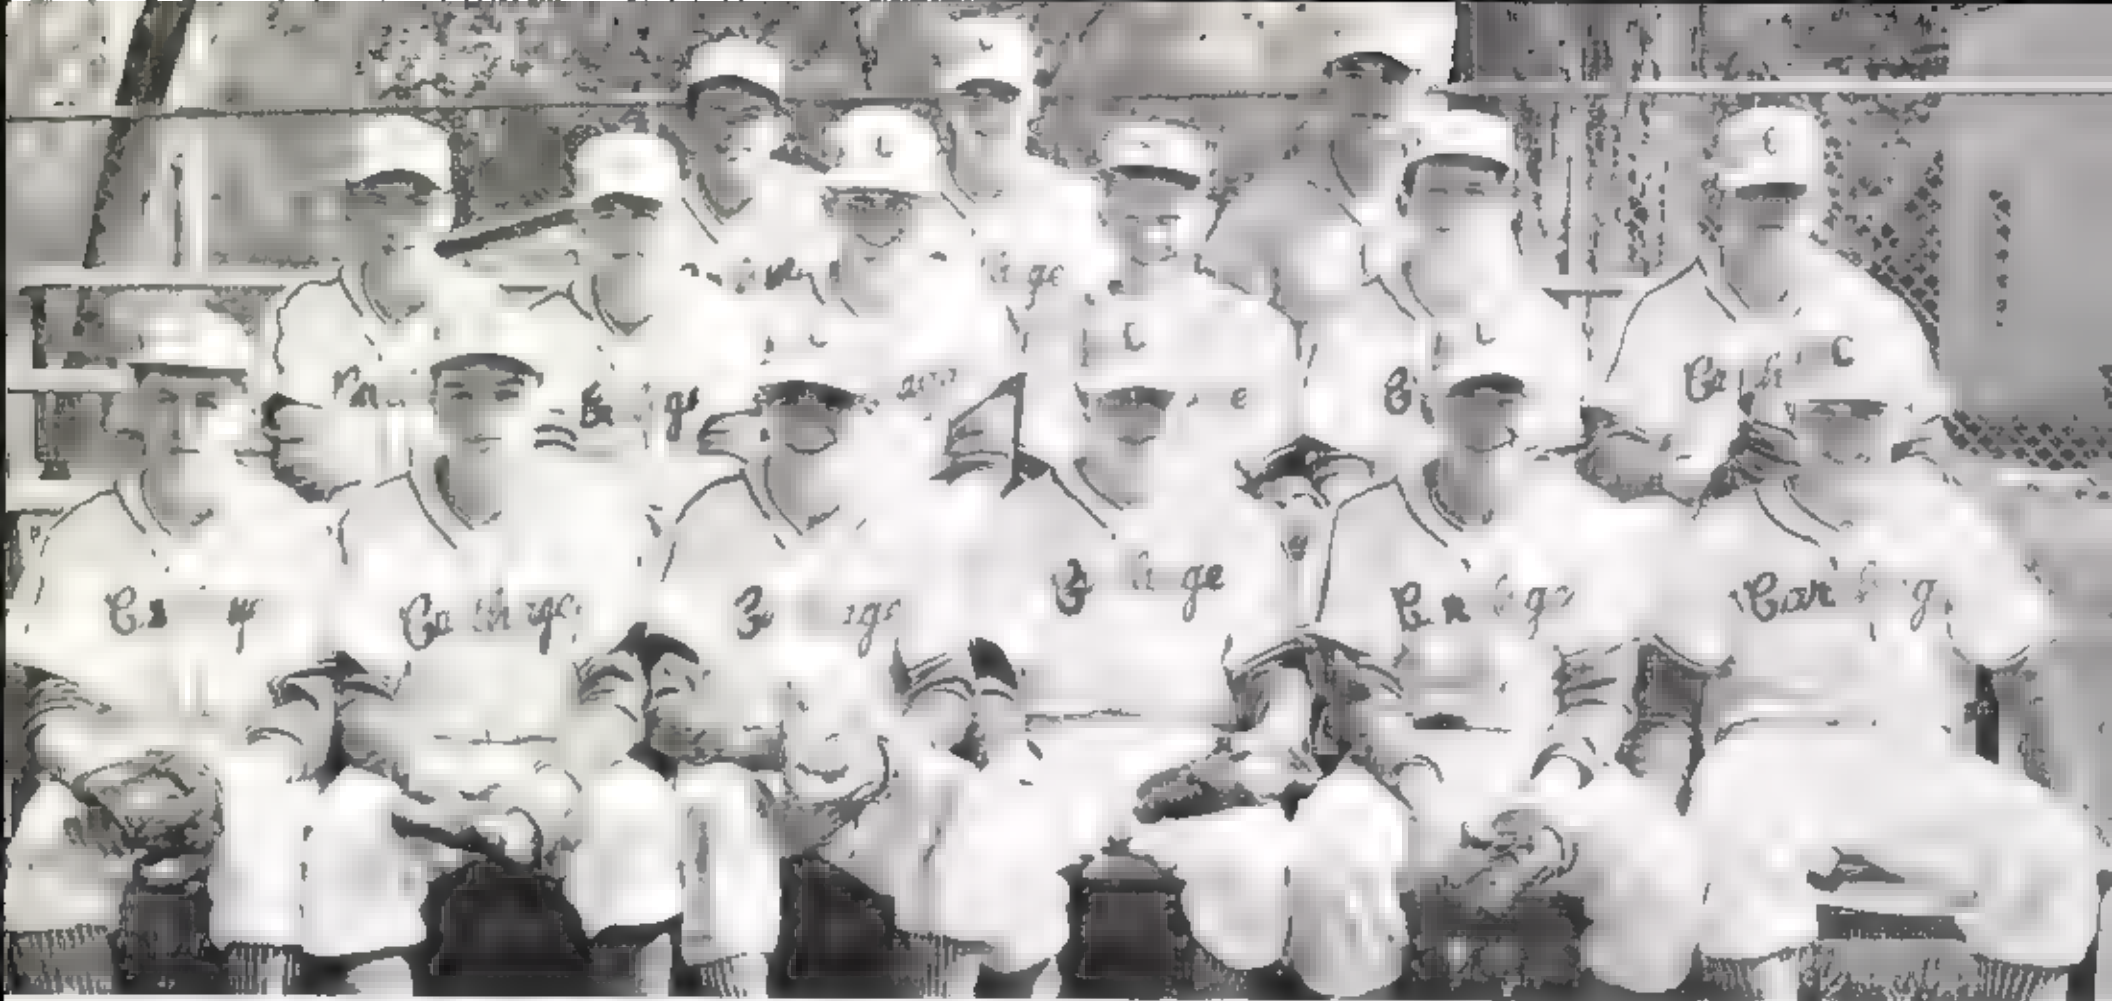

Aggressiveness, fine team spirit, rugged defensive play, and general skill improvement made up for lack of height. The team was characterized by no stars; but the play of LaPierre, Richardson, Davis, Koniz, and Faunce was outstanding. However, a strong bench was evidenced by the fine play of all the remaining players.

Probably one of the Comets' most notable achievements was their three victories over arch rival, Watertown High School.

The Comets' light dims next year because all squad members except Burns and Wagoner will graduate.

Pep talk.

VARSITY BASEBALL

First row: Chaufy, Smith, B. Eckeman, Orman, Kitts, W. Hutt. Second row: Faunce, Wisner, Richardson, Bondin, Phelps, Davis. Third row: Nindl, Burns, Coach Navarro.

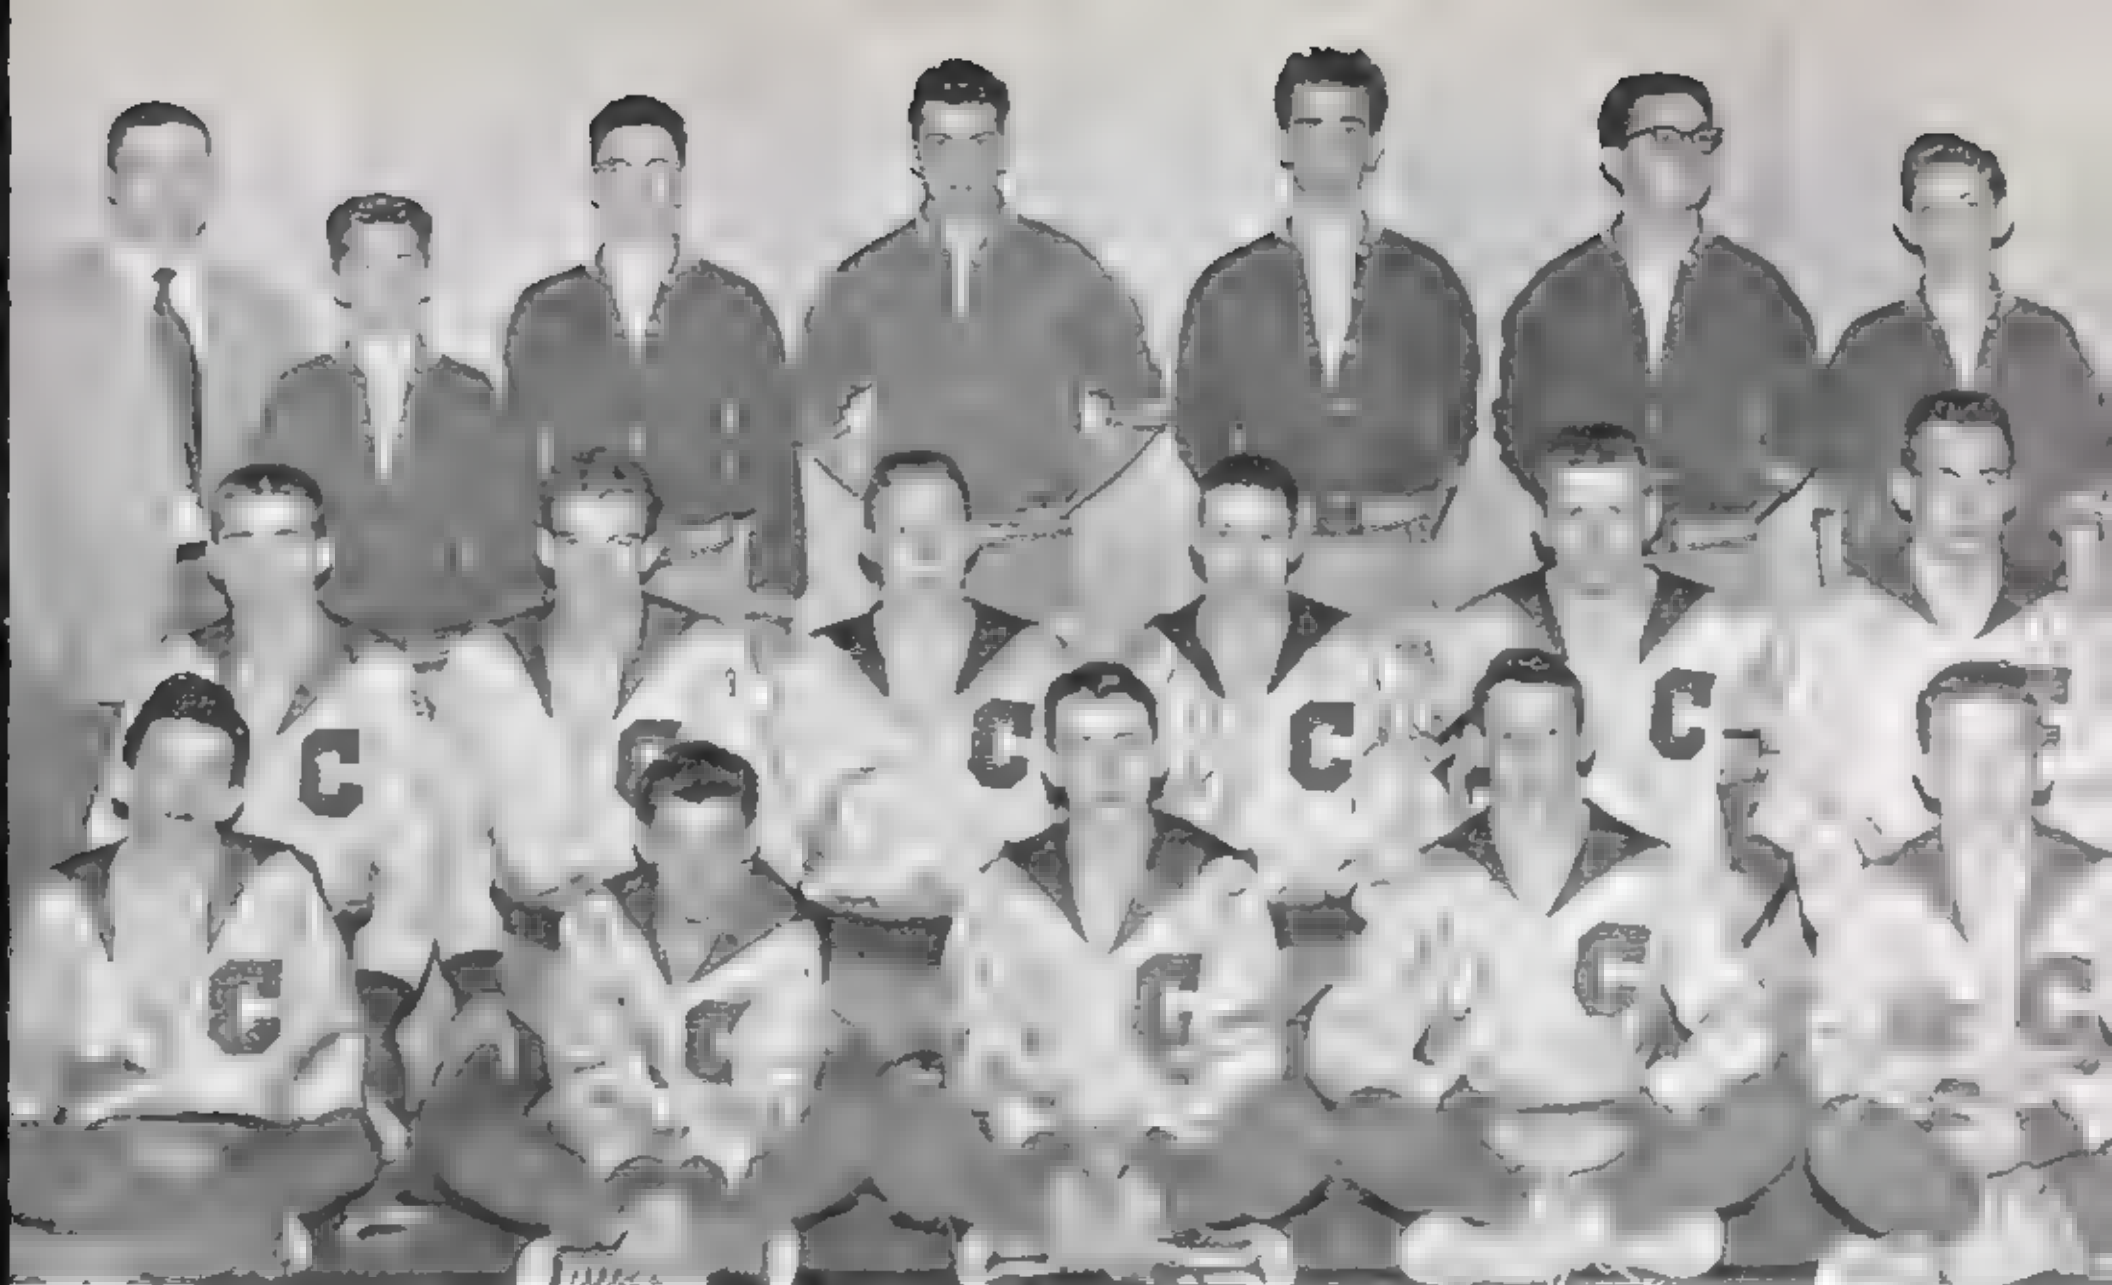

The 1958 baseball team had a successful season in that they beat every team they played at least once. The victories were over Rome, Watertown, Lowville, Cayton and Gouverneur. Norman Smith led the hitters with a .395 batting average, and John Blondin led the pitchers with four wins and one loss.

The J.V. baseball team completed a successful season with a record of five wins and three losses. The big win was scored against Watertown, whose only loss of the season was to Carthage. Outfielder Dick Butts led the team in hitting with a .438 average while Leonard Gardner led the pitchers with three wins and one loss.

J.V. BASEBALL

WRESTLING

The wrestling team finished fifth in the Ontario wrestling league with a record of four wins, seven losses, and one tie. Although the team was placed fifth in the league tournament at Brownville, three Carthage matmen placed in the finals. John Blondin, with a record of sixteen wins and one loss, won the trophy in his weight class, while Bill Eckelman and Jim Wilton placed second in their respective weight classes. Blondin also won the trophy at Rome becoming the first sectional winner from CCS.

Prospects for next year are bright since only three boys will be lost through graduation.

The Swim Club, under the direction of Mr. Thomas Habib, is a new addition to the athletic department this year.

Several Sports Days with Rome and Lowville were the highlights of the season.

These undergraduates have been training rigorously all winter and show promise of developing their team into an important addition to Carthage Central School athletics.
